

Premièring during Jimmy Kimmel Live's post-Oscars special, this star-studded parody trailer features just about every Hollywood actor you can imagine. As well as those listed above, JJ Abrams, Jessica Alba, Jason Bateman, Kate Beckinsale, Emily Blunt, Josh Brolin, Danny DeVito, John Krasinski, Martin Scorsese, Meryl Streep, Christoph Waltz and many more all appear. Chewbacca too! Oh, and yes, that is Gary Oldman as a Centaur.
