

BAH! My final answer would be, "Passeth me the million dollars now 'ere I separate they babbling head from thy shoulders, Regis!" --HOGUN --> Who is HOGUN? HOGUN is part of the fabled Warriors Three along with Volstagg and Fandral, which all are good friends to Thor. HOGUN is a short-tempered Asgardian. He is a skilled battlefield warrior, a great horseman, and a master of weapons. He prefers the use of a mace when battling his enemies. HOGUN the Grim is a Marvel character created by penciller Jack Kirby and writer Stan Lee, Lee envisioned him as sharing several traits with characters played by actor Charles Bronson. He made his first comicbook appearance in Journey into Mystery #119 (August, 1965). first appearance The only thing known about HOGUN's past is that he's not an Aesir like most of the Asgardians. (Aesir is the "tribe" where Odin, Thor, and the other Norse gods
