

To celebrate the realese of The Dark Knight Rises, Empire have gathered together quite a few Hollywood directors, writers, and producers to give their takes on Christopher Nolan's Batman movies - in particular The Dark Knight, which of course leads directly into this upcoming threequel. Below are quotes from Tim Burton (Director - Batman, Batman Returns), Zack Snyder (Director - Watchmen, Man Of Steel), David Koepp (Writer - Jurassic Park, Spider-Man), Drew Goddard (Director - The Cabin In The Woods), Rupert Wyatt (Director - Rise Of The Planet Of The Apes, and Neil Marshal (Director - The Descent, Game Of Thrones). Tim Burton.. "I like Chris Nolan's Batman movies. It kind of makes me laugh because I got so much shit for being too dark and now, with him, it's like, 'Lucky you.' But that's the way it should be. I wish I hadn't had to go through quite so much torture. They
