

Most of us will agree that The Avengers was a damn fine piece of superhero cinema, but as we also know, elements of the movie came in for a bit of criticism at the same time, and there were a few vocal detractors. But hey, what movie escapes that? The thing is, with The Avengers fans tend to get a bit tetchy when anyone points to a flaw, and with that in mind, Screen Junkies have focused their latest Honest Trailer on highlighting a few of em - that is, if you agree that they ARE flaws? Have a look and sound off in the usual place.. I don't agree with all of that of course, but it's still pretty damn funny. The Avengers is out now on Blu-ray and DVD.
