

It's now 2017, and that means the amazing looking Guardians of the Galaxy Vol. 2 is out THIS YEAR! To celebrate the New Year, Hot Toys has unveiled the first look at their action figures from the sequel, and it's fair to say that Baby Groot will be an absolute must-have, especially as the sentient tree is to scale! For more on what to expect from these figures, here are the brief details which have been released: "As we celebrate the new year and make resolutions, let's join up with Star-Lord's gang of unlikely superheroes and gear up for this summer's Guardians of the Galaxy Vol. 2, which promises an epic new adventure, an awesome new mixtape, and some exciting new collectibles from Hot Toys!" Which of these action figures would you buy first? Do you think they'll sell that Baby Groot alongside Rocket or individually for a ridiculous sum? As always, let us know your thoughts in the usual place.
