

Revealing their detailed collectible figurine last night based on Marvel's The Avengers' S.H.I.E.L.D. Director, Nick Fury, the ever popular toy manufacturer Hot Toys have teased more figures to be revealed. Revealing a teaser and photo reassuring there's figures soon to be revealed for the entire team. Although the shadowed figures behind Fury aren't the actual figurines, actually promo images, check it out below! Following the great response of the announcement of Nick Fury from The Avengers, one of our largest campaigns this year, we believe that our fans just can't wait to have a glimpse of the other members of the team! Glad to let our fans know that all characters are being developed in good progress now! Fans will be expecting the news of the collectibles of the characters from time to time before movie launches! The Avengers were born! Fans, please stay tuned tight! **CLICK IMAGE TO ENLARGE** And in case
