

Okay, for those keeping score at home, so far Hot Toys has released Nick Fury, Hawkeye, and Captain America figures for their new Avengers toyline. Next up will be Thor, and I'm starting to get the feeling that The Hulk will be held off til the very end. Which blows! With great expectation, the hottest movie in town - The Avengers is coming next week! Many thanks for the likes of the Captain America collectible that we announced yesterday! Following Captain America is another key character – Thor! The newly developed Thor collectible with muscular body and accurate proportion will be coming very soon! Fans, please await our surprise! Marvel's The Avengers picks up when an unexpected enemy emerges that threatens global safety and security. And Nick Fury, director of the international peacekeeping agency known as S.H.I.E.L.D., finds himself in need of a team to pull the world back from the brink of disaster.
