

Hugh Jackman has shared a new Logan pic to his Twitter account, giving us a slightly grainy look at the mutant berserker rushing into battle. The image does recall a couple of similar shots from the first teaser, but this is definitely a different angle - could it be a screenshot from the new trailer, perhaps? The first 40 minutes of Logan screened recently to an overwhelmingly positive reaction, so fans have been chomping at the bit for another look at what is being touted as the final solo Wolverine movie. As soon as we have an update on when we can expect it, you'll be the first to know. Logan stars Hugh Jackman, Patrick Stewart, Richard E. Grant, Boyd Holbrook, Stephen Merchant, Dafne Keen, Eriq La Salle, Elise Neal, and Elizabeth Rodriguez. The final Wolverine movie is set to claw its way into theaters on March 3, 2017.
