The Asylum is rushing to beat Marvel Studios to the punch by releasing their Thor movie first, a movie called Almighty Thor. Say what now? This production stars (and I use that term loosely) Cody Deal as Thor. You may know him as the Roman Soldier who showed up at Caesar's Palace in The Hangover. He must take on the villainous Loki, played by none other than Richard Grieco, before he destroys the world of the Gods and Humans. The ever-popular Kevin Nash (former WWE and TNA Wrestling star) will be playing the role of....Odin and Patricia Velasquez (The Mummy Returns) will be playing Jamsaxa, a demi-god who trains Thor to take on Loki in their final epic battle. When you are done laughing, take a look at the images below. Anyone who was questioning whether or not Kenneth Branagh's THOR, you have been put in check. We could be getting
