

While I was browsing through some digital art over at CGSociety.org, I found a lot of great CG and 3D concepts featuring Marvel and DC characters like Sinestro, Wolverine, Mr. Freeze and Punisher, as well as a 3D design of Pan from Guillermo del Toro's fantasy film Pan's Labyrinth. Below are some of the images, and I will be posting another gallery very soon. Check it out below. [Click on images to enlarge] - "PUNISHER" Made by Andreas Chrysovitsanos. - "SINESTRO" (GREEN LANTERN FILM) Made by Cyril Verrier. - "WAR MACHINE" (IRON MAN 2) Made by Bobby Liauw. - "HARLEY QUINN" Made by Carine Grasset. - "HULK" Made by griml0ck. - "PAN" Made by majid-smiley. - "WOLVERINE" Made by Juan Puerta. - "TERMINATOR (BEGINNING)" Made by Geopard. - "HEART OF ICE" Made by Jimmy Xu. - "WHAT ARE YOU BUILDING, STARK?" Made by vitorugo. There you go... Which one is your favorite? Comment
