

Now, apparently there is another - longer- trailer still to be unveiled so keep an eye out for that one too. But what's the verdict on this? Some fantastic new scenes, including the live and kicking (well, until the "Alien" bursts through) Space Jokey above. The version here isn't the best quality so click on the link below for a higher res one. Ridley Scott, director of "Alien" and "Blade Runner," returns to the genre he helped define. With PROMETHEUS, he creates a groundbreaking mythology, in which a team of explorers discover a clue to the origins of mankind on Earth, leading them on a thrilling journey to the darkest corners of the universe. There, they must fight a terrifying battle to save the future of the human race. Starring Noomi Rapace, Michael Fassbender, Charlize Theron, Guy Pearce, Idris Elba and Logan Marshall-Green, Prometheus is set to hit
