

As you will see by flicking through the list, there are a lot of movies on there that aren't actually bad - in fact there are a few great ones! But fanboy gripes, astronomical expectations or just plain overkill seems to have relegated a few to Total Film's 50 most hated. Of course many deserve to be on there too. Topping the list is the undeniably disappointing, but perhaps not quite as bad as you might think, Indiana Jones & The Kingdom Of The Crystal Skull. Among the top 10 we also have the second Transformers, Joel Schumacher's abomination, The Phantom Menace and the Bond flick Die Another Day. You definitely won't dislike all of the movies mentioned, but it's hard to argue that a lot of people out there just don't like em!.. 10. DIE ANOTHER DAY 9. HOUSE OF THE DEAD 8. TITANIC 7. TRANSFORMERS: REVENGE OF THE FALLEN 6.
