

With 20th Century Fox & Matthew Vaughn's X-Men: First Class prequel out & about in theaters worldwide, it's no surprise production artwork for the praised film has found it's way online. Featuring fellow mutants Angel, Azazel, Beast and Emma Frost, check out their initial designs below, via concept artist Jerad S. Marantz, as well a quote from him! "I always have fun on these comic book movies. I was on the film for a short time but was able to contribute. I just saw the movie today and really liked it. Here are a few designs I did." X-Men: First Class charts the epic beginning of the X-Men saga, and reveals a secret history of famous global events. Before mutants had revealed themselves to the world, and before Charles Xavier and Erik Lensherr took the names Professor X and Magneto, they were two young men discovering their powers for the first time. Not archenemies,
