

According to IMDB, the international release dates for The Dark Knight Rises, Prometheus and Ghost Rider 2: Spirit of Vengeance have been unveiled. Here's the link for TDKR, and the links to Ghost Rider and Prometheus can be found [here](#)(Ghost Rider) and [here](#)(Prometheus). And incase you're too lazy to click on the links, here are the screencaps, courtesy of PaulRom: As you can see, Italy are getting TDKR first and Lebanon are getting it last. Whilst Belgium will be able to see GR: SOV first and (suprisingly) Australia are getting it last a whole month later. Finally, Belgium are getting Prometheus first as well, and the US is rather far down on the release date list, with Switzerland getting it a whole 3 and a half months after Belgium. The Dark Knight Rises is released in the US and UK on July 20 2012, Ghost Rider: Spirit of Vengeance comes out in the US
