

How is your book doing? The book is doing very well. I don't have any numbers to share but was told that we've practically sold out the first run in its first month in June. July is expected to be even better. Obviously timing was perfect to line-up with DARK KNIGHT RISES, since Christian only comes out to do publicity to support his films. I really had no idea what to expect from the book since Christian is not particularly high profile outside of Batman. I noticed that your cover, and other publicity pics airbrushed out Christian's mole at the corner of his eye. Has that ever bothered Christian, and did he ever think of removing it? Christian has a couple things about his face that he used to fret about. His main concerns about his appearance was what Hollywood casting agents called "his Englishness" - so for AMERICAN PSYCHO, he got
