

While we've already been treated to the stunning new promo images and intriguing character descriptions from The Amazing Spider-Man's official website (find them all [HERE](#)) there are a couple of details you may have missed. When it was revealed that Irrfan Khan would be playing 'Van Atter' in the reboot, many wondered if the filmmakers actually meant 'Van Adder' a character who briefly appeared in a Spider-Man comic book as the villainous Proto-Goblin. Well, it's unclear for the reason behind the change, but the site now lists Khan's character name as 'Dr. Ratha', a character who to the best of my knowledge has never been heard of in the comic books. The official synopsis which was posted at the tail end of two of the above mentioned articles confirms earlier reports that Sony are already moving ahead with a sequel to The Amazing Spider-Man, although whether this hints at Sony having a
