

Click on the image below to view.. As it stands the account is only following "Thefirerises" and has not yet tweeted. Like I said this could just be some asshat with too much time on his hands but I can't see any real differences between this account and the verified Thefirerises one so I think this is well worth keeping an eye on at least. The last time we were asked to retweet until an image of Bane materialized. If this is legit could our next glimpse be on Catwoman? Let's see what happens. By TwitterButtons.com
