

While the details about Christopher Nolan-directed film The Dark Knight Rises are kept under wraps, there were couple of rumors that during the film, we will see Bane doing his famous "Break The Bat" move, injuring Batman's back. Even though we are probably not going to find that out until the release of the film, a SHH user found this rather cool behind-the-scenes image, featuring Tom Hardy as Bane doing that brutal move on one of the crew members. Check it out below. If I have to guess, I would say he did this for the fans or something like that. Still, pretty cool nonetheless. What do you think? Starring Christian Bale, Anne Hathaway, Tom Hardy, Michael Caine, Gary Oldman, Joseph Gordon-Levitt, Marion Cotillard and Morgan Freeman, The Dark Knight Rises is set to hit theatres on July 20, 2012! Warner Bros. Pictures' and Legendary Pictures' "The Dark Knight Rises" is
