

We had a tasty appetizer with three brand new posters this morning and now, get ready for the tasty main course! Just moments ago, Warner Bros. Pictures released the long-awaited theatrical trailer for their next DC Comics adventure - Wonder Woman - and after watching it, I don't know about you, but I'm with her. The film stars Gal Gadot (Justice League) as the legendary Amazonian princess with a supporting cast that includes Chris Pine (Star Trek Beyond), Connie Nielsen (Gladiator), Robin Wright (Blade Runner 2049), Lucy Davis (Shaun of the Dead), and Danny Huston (X-Men Origins: Wolverine). Watch the epic trailer below: Before she was Wonder Woman, she was Diana, princess of the Amazons, trained to be an unconquerable warrior. Raised on a sheltered island paradise, when an American pilot crashes on their shores and tells of a massive conflict raging in the outside world, Diana leaves her home, convinced she can stop the threat. Fighting alongside man in a war to end all
