

Warner Bros. has released a new trailer for The LEGO Batman Movie, and it gives us a better look at The Joker, the role of Barbara Gordon, and why exactly the tiny Caped Crusader decides to allow Robin serve as his sidekick! With respect to Wonder Woman and Justice League, this looks like 2017's best DC Comics adaptation, and it's almost certainly going to be a worthy successor to The LEGO Movie. In the irreverent spirit of fun that made The LEGO Movie a worldwide phenomenon, the self-described leading man of that ensemble – LEGO Batman – stars in his own big-screen adventure: The LEGO Batman Movie. But there are big changes brewing in Gotham, and if he wants to save the city from The Joker's hostile takeover, Batman may have to drop the lone vigilante thing, try to work with others and maybe, just maybe, learn to lighten up. Based on this new trailer, that's going to be tough for him! Also starring Michael Cera,
