

Funko POP! Vinyl Toys have been adorable figurines featured in many fans' collections. The company has produced thousands of miniaturized versions of characters from comic books and movies, and now, the company has partnered with Marvel Entertainment to create animated shorts featuring some of your favorite characters! The first of these shorts, titled "Spellbound", features Iron Man and Spider-Man taking on the villainous trickster, Loki, only for things to take a turn when Loki mind-controls Spider-Man. There will be more shorts to come, with the second, "Bait 'n Switch", showcasing Rocket Raccoon and Groot, and the third, "Chimichangas", featuring Deadpool facing off against Venom!
