

Deadline reports that Valiant Entertainment and producer Sean Daniel (The Mummy) have teamed up to bring Shadowman to the big screen. J. Michael Straczynski, best known for his work on Babylon 5 and Amazing Spider-Man, has signed up to write the script. According to the site, the film's logline is as follows: "The forces of darkness are determined to claim New Orleans as their own, and Jack Boniface must accept the legacy he was born to uphold, in order to stop them. As Shadowman, Jack is about to become the only thing that stands between his city and an army of unspeakable monstrosities from beyond the night. He must pay a high price and master his new abilities before Master Darque brings down the wall between reality and the eldritch darkness of the Deadside." "Shadowman is a character who lives in a unique world that mixes the modern world with that which
