

Speaking with Movie Web, Jaime 'Sif' Alexander was asked about the possibility that a romantic relationship would pop up between her character and Thor in a THOR sequel. She said that she'd 'love' for it to take place, but goes on to say that nothing's been made official yet. She also expresses her interest in seeing the character Beta Ray Bill appear in a future installment.

"Yes. I would love for that (romance) to happen. I don't know what the story is going to be just yet, and nothing has been made official, but the hope is that it will be made official, and I would love to explore more of that. And, in future endeavors, I would love to see Beta Ray Bill, or something like that. I think that would be really cool. Like you said, there are so many avenues to go down, so many endless possibilities." Alexander's then
