

Despite being out for barely two days, Sucker Punch is already proving to be a very polarizing movie. I was curious as to how audiences would react to it seeing how I was in fact really looking forward to it, but then the reviews came in. So far, the reaction to this movie has been decidedly mixed, with reactions ranging from extremely positive to extremely negative, and I can see why. Sucker Punch is a movie that knows how to push fanboy buttons, and do it well, but as a movie as a whole it falls flat. I saw it with three other friends and the four of us were split down the middle on our opinions of it, and that seems to be the case all around. Needless to say, Sucker Punch is a movie that has "cult film" written all over it, but I think it's going to fall
