

Well, here is a weird rumor, that it actually might be true. According to Sigourney Weaver (via Showbiz 411), director James Cameron is set to film not one, not two, but three sequels to his highest-grossing film of all time, Avatar. Released in 2009, the film became a worldwide hit, which of course means more sequels for the studio. Now, Cameron did say that he plans to dedicate all of his time to Avatar and Avatar only, which makes think that this might happen. More below: "Sigourney Weaver confirmed tonight that James Cameron is shooting "Avatar" 2, 3, and 4 all at the same time, all with her, and starting this fall. When "Political Animals" finishes shooting, see if you can follow Weaver's schedule: she goes right into a new Christopher Durang play for a short run at Lincoln Center. Then she films "Avatar" 2, 3, and 4 with James Cameron. That's
