

Any red blooded heterosexual male has dreamed of having a sexual tryst with the gorgeous Angelie Jolie. The nightmare would be ripping some protein filled farts in front of any gorgeous gal, but even worse if it's in front of one of the most desired women in the world. James McAvoy lived that nightmare as it was a side effect of bulking up with protein shakes for Wanted. He tells TV host Graham Norton, "There was a lot of eating too much meat and drinking too much protein shake... They (producers) leave you on set shooting a scene in a car for three days... Which is fine... but eventually you have to get this protein shake out of you and it always comes out as flatulence. "So you're in this car for three days, and for a large portion of these three days, Angelina Jolie is in the car with you. And
