According to Film Music Reporter: James Newton Howard's name has been circulating online for a while as the composer for the upcoming comic book adaption of Green Lantern, but we finally have received confirmation that Newton Howard is indeed the composer on the movie. The film is directed by Martin Campbell, who previously worked with Newton Howard on the 2000 action adventure thriller Vertical Limit. He has also worked with such composers as James Horner (The Mask of Zorro, The Legend of Zorro, Beyond Borders) and David Arnold (Casino Royale). Starring Ryan Reynolds, Blake Lively, and Peter Saarsgard, Green Lantern hits theaters June 17th!
