On What It Was Like To Be Cast As Emma Frost: "I was very excited to do something so different and so iconic and be a part of a franchise like that. But also there was a huge weight of responsibility, too, to portray that character. There are so many fans of the comics and the movies that -- inevitably, I'm going to disappoint someone, but I just wanted to really do my research and still have fun with it. It's been a blast so far. I just hope all the fans enjoy it as much as we have." On Filming The Movie On A Tight Schedule And Emma Frost's Costume: "Well, we're still shooting it. When I heard it was coming out that quickly, I had a lot of questions. They're editing as we go, doing the visual effects as we go. Obviously, I have a lot of faith in the people we're
