

With the release of Matthew Vaughn's X-Men: First Class on DVD and Blu-Ray in UK, Jason Flemyng (Azazel) talked to Digital Spy about the upcoming sequel, which according to him, is being written right now. More below... "There was a benchmark that they had to hit box office-wise before they could start writing the next one, which they've started. We'll just see how the DVD goes and then fingers crossed I'll be bright red again by next summer." Considering that the DVD and Blu-Ray sale is doing good, I think we can expect some official announcement soon. X-MEN: FIRST CLASS unveils the epic beginning of the X-Men saga – and a secret history of the Cold War and our world at the brink of nuclear Armageddon. As the first class discovers, harnesses, and comes to terms with their formidable powers, alliances are formed that will shape the eternal war between the
