

Jason Momoa recently talked with the folks over at Den Of Geek in depth about his role in the upcoming fantasy series Game of Thrones and his portrayal of every one's favorite barbarian Conan. It is a fantastic interview and you really should follow the link below to read it in it's entirety. However, I found the following couple of questions pertaining to Arnold Shwarzenegger particularly interesting. Are you prepared for the fanbase to explode when this film comes out? I just hope they like it, because I've been bustin' my ass, and I hope people love it, and embrace it. You'll probably have dipshits who'll be, like [adopts whiny voice] "It's not like the 80s film." Well, I hope not, 'cause that was the fuckin' 80s. There's a lot more we can do now, dude. Some people will be like, "Oh, it's not Arnold." Well, no shit, Sherlock. I didn't plan on
