

The marketing for Morten Tyldum's *Passengers* has alternated between highlighting the darker, sci-fi elements of the movie, and the more romantic, playful tone. Sony Pictures has now released another trailer, and it definitely falls into the latter category. In addition, we have a new clip which sees Aurora (Jennifer Lawrence) and Jim (Chris Pratt) get dolled-up for their first space-date. Check out both below, and let us know if you're looking forward to this one in the comments section.

On a routine journey through space to a new home, two passengers, sleeping in suspended animation, are awakened 90 years too early when their ship malfunctions. As Jim (Chris Pratt) and Aurora (Jennifer Lawrence) face living the rest of their lives on board, with every luxury they could ever ask for, they begin to fall for each other, unable to deny their intense attraction... until they discover the ship is in grave danger. With the lives of 5000 sleeping passengers at stake, only Jim and
