

Talking to IGN Movies, the man who played the iconic villain in Star Wars: The Empire Strikes Back and Star Wars: The Return of the Jedi, has spoken out about his time as the intergalactic bounty hunter and what effect Boba Fett has had on his life. Below are just a few excerpts from the lengthy interview, so be sure to click on the link below to head on over to the site. On What He Thinks About The Movies Being Released On Blu-Ray: I'm very, very excited about the Blu-ray. I'm very excited about people wanting to talk to you and ask about your experiences. Should they have done this? Should they have done that? And the lovely thing about these films is that they have a talking point all the time. And when you have fans at big conventions, you can hear them walking past, "I think they should have done
