

After the big poster reveal and multiple other cast quotes from Marvel's The Avenger's today there couldn't possibly be any more right? Wrong, because Jeremy Renner and Scarlett Johansson sat down with EW to talk about their characters in the Film. Renner plays sharp shooter Clint Barton, AKA Hawkeye, who according to him is a loner. "I'm on such the periphery. By nature of being a sniper on top of a building, the behavior of a sniper is a loner. He gets a call and comes and does his thing," He said. Hawkeye was last seen in Thor perched in a lift getting ready to take Thor out with his Bow and arrow. The only female lead in the movie belongs to Johansson as Black Widow. She says being the female lead can be intimidating. "Occasionally it does come up where I'm like, 'Oh my God, I'm the only girl in a
