

Talking recently with Collider, actor Jeremy Renner, the 'Hawkeye' of Marvel's forthcoming superhero flick The Avengers, discussed the establishing the character from Thor, and further doing so in a potential solo movie. Also dishing on The Bourne Legacy in the full interview, linked below, check out an excerpt. Whether it was fun setting up 'Hawkeye' in Thor, before establishing the character in The Avengers... "It's actually difficult because there's not a lot to do. In Thor, I had to just stand in a bucket and hold my bow and arrow. What's the character? I have no idea. I was thrown into that very quickly, so it was like, "Am I trapping myself?" It's a little strange. I don't know if it's a good thing. I don't think I'd go about it, normally, that way. It's certainly a different way to go about taking on a role." Whether it ended up trapping him at
