

Speaking to Collider while promoting her latest film, Total Recall, Biel was pretty tepid in responding to questions concerning DC Comics' Wonder Woman character. No stranger to comic book adaptations, Biel starred in 2004's Blade:Trinity and has field offers and been in casting discussions for almost every superhero film since. While she seemed very iffy on portraying Wonder Woman, here's her response to would she portray Teenage Mutant Ninja Turtle female ally, April O'Neil in Jonathan Liebesman and Michael Bay's reboot. "I dig the Ninja Turtles, I've always loved the Ninja Turtles. Yeah! I dig April, she's cool. She wore a yellow suit and she was a redhead. That was a great show, I loved it as a kid, so sure! Yeah!"
