

The DC Universe relaunch will begin this Wednesday, and as it draws close, the lads over at USA Today managed to grab some time with superstar artist Jim Lee, who talked about the upcoming reboot of the publishers entire universe. Check out what he had to say in the video interview below: Follow the link below to check out the article right on the site, with more comments from Jim Lee, writer Geoff Johns and, DC Comics co-publisher, Dan DiDio. The new DC Universe will begin this Wednesday, August 31. By TwitterButtons.com
