

In a chat with at this weekend's New York Comic Con, Marvel's Chief Creative Officer Joe Quesada has shared a few more details about the highly anticipated debut of Marvel's S.H.I.E.L.D. We don't know a lot of details at this point about the direction that the series will take, but the fact that Agent Phil Coulson (Clark Gregg) will return after seemingly being killed off in Marvel's The Avengers, has led to an awful lot of theories! Be sure to click on the link below to read some more highlights from the interview, including Quesada's thoughts on Marvel's success across all media and his recent appearance on Jimmy Kimmel Live. "He plays Agent Coulson. I really can't tell too much more than that because I'd be revealing too much of the show's structure, but we're thrilled to build the show around him. First of all, aside from being an amazing actor, Clark
