

Thanks to MARVEL's Agent M and Strommy, we have the following highlights from Marvel Chief Creative Officer Joe Quesada's panel at this weekend's D23 event in Anaheim. To read the entire coverage, where the former E-i-C talks in detail about the history of Marvel and the duo cover the Ultimate Spider-Man animated series footage shown, click on the link below to head on over to the site. For now, here are some of the main highlights. Q is discussing the licensed Marvel movies - X-Men, Spider-Man, Fantastic Four, Daredevil. Not made by Marvel Studios, but really got our characters out there. Now talking about Blade. Big applause from the fans here for Blade movies. Moving onto Marvel Studios now--around 2000, there were a lot of Marvel movies coming out. The first one was really Blade, though, which was a big deal because New Line saw the potential in a character that is really a
