

For people following the production of the movie intensely, it won't be that much of a surprise but if you want to know absolutely nothing about the movie before release, stop reading right here... What follows is an excerpt from the interview Christopher Nolan's Batman franchise is one of the biggest in the world, was it intimidating jumping on board for The Dark Knight Rises? It was so cool, I had an amazing time. I got to travel to places I'd never been to before. Christopher Nolan is so nice, so is Christian Bale. I just had the best time. What's your role in that film? (Highlight the text below to reveal the spoiler.) I play young Talia al Ghul. I can't give too much away because I promised Mr. Nolan I wouldn't say anything. There are too many secrets about the character and the movie. Well I guess that settles that then! It's been long
