

What's it like playing the title character in a (BIG) movie like this, and seeing your picture everywhere? My ego loves it! (Laughing) It's great man. There's such a huge struggle at the beginning of my career, and who's to say where it goes, but... I think too, its just the work you put in. At the end of the day its not like I'm looking back saying, hey, I had a billboard. Whatever. It's the work I put in, and THAT's what I'm most proud of. You know? For sure. So, you've been Gambit, and you've been John Carter. Are there any other heroes that you want to be? Chon was quite fun in "Savages" (laughing). A different type of hero, but, um, no. You know, I never set out to be any of these guys. That's not how I pick my roles. It's all about who you're working with and the character
