

I'm the first to admit that I'm easily pleased by ANY attempt to bring my beloved fantasy characters to the big screen. I read all 5 of the John Carter books in Jr. High School, and besides some straight-to-video features produced in the late 80's and early 90's (we all know what I'm talking about here), there are very few comic book movies that I can't find SOMETHING to applaud. That unconditional love is the reason why I have made my living from a comic book movie website. But having fully disclosed my prejudices, I tell you without bias that John Carter has a fair chance at becoming a franchise. It's first outing is THAT good. Sure, I could nitpick some minor things, as we all could do with practically ANY movie. The film isn't perfect, but perfection is a rare thing. Last I heard, only Jesus Christ had attained it. What
