

Game Of Thrones author George R.R Martin is fond of posting clues leading up to casting announcements for the show. And the guys at Westeros.org figured out that his latest batch led to actor John Stahl joining season 2 and that has now been confirmed. The character he will be playing remains a mystery. There really aren't that many important charters left but the clues point to Lord Rickard Karstark. There are also those that think he could be Quorin Halfhand, who does play a big role in the events of the second book in the series. Anyway, we will update as soon as we know for sure. Another recent cast addition has recorded a video interview with Leicestersquaretv in which she discusses her casting and character in some detail. She talks about her training and what fans can expect from season 2. She also says that she has signed on for
