John Wagner from Facebook: Just back from the set. I wasn't able to take any photos, I'm afraid, still bound by the official secrets act, but if you want to throw any questions at me I'll answer what I can. Cape Town and surrounding country was absolutely stunning. The film occupies all four giant buildings at the new Cape Town Studios. Sets looked great - grim! He also went on to say: Very pleased with what I saw of Karl Urban and Olivia Thirlby. Both excellent in their roles and work well as a team. Entire crew really dedicated and determined to produce a damned good movie. Sadly I had to leave before I could see them shooting any ultra-vi. Extremely impressed by the 3-D - apart from the demo at Universal Studios in LA, my memories were of the feeble efforts I saw as a youth. This is a real quantum leap from
