

Shane never survived past the sixth issue in The Walking Dead comic book series, but after 18 episodes, the character finally met his maker at the hands of Rick Grimes last night. Moments later, he came back as a "walker" and was finished off with a bullet in the head from Carl. Talking to Entertainment Weekly, actor Jon Bernthal has revealed plenty of new details about the circumstances surrounding his departure from the AMC series as well as what it was like to film those scenes. Be sure to click on the link below to read even more. On Playing A Zombie In The Last Few Moments Of His Time On The Walking Dead: You know, man, it was crazy. I didn't even realize that I was playing a zombie until I was playing it. There was a lot of discussion going back and forth, a lot of arguing going back and
