

Very interesting, right? Instead of the monster that Shane was presented as we're given a glimpse at an individual who's even more layered, conflicted than previously shown. That sounds like damn good television but I can understand why the producers didn't follow through with that idea as it would put Rick in a precarious relationship with the audience when he's already teetering on the protagonist slope. Special thanks to Andrew of NerdRepository for the heads-up. The Walking Dead is an American post-apocalyptic horror television series developed for television by Frank Darabont. It is based on the comic book series, The Walking Dead by Robert Kirkman, Tony Moore, and Charlie Adlard. The series stars Andrew Lincoln as Sheriff's Deputy Rick Grimes who wakes up after being in a coma to find the world dominated by "walkers", resembling the zombies of George A. Romero's horror movies. He sets out to find his family and
