

We'll have a new episode of Legends of Tomorrow tonight, but The CW has just released a batch of promo stills from next week's installment, which will feature the return of Jonathon Schaech as legendary DC gunslinger, Jonah Hex. The pics also give us a glimpse of the team back in their cowboy attire as they once again integrate themselves into Old West society in order to get their friend out of a spot of bother with Quentin Turnbull (Jeff Fahey).

STRENGTH AND WEAKNESS — The Legends are still reeling from the news that their time travel-nemesis is a speedster when they are alerted to an Aberration in the Old West. When the Legends arrive they find their old friend Jonah Hex (guest star Jonathon Schaech) in trouble with his arch-nemesis, Quentin Turnbull (guest star Jeff Fahey). The team soon discovers that they need to stop Turnbull and his gang from conquering the West and branding it his own lawless territory. To
