

A new superhero short film, from first-time director Jeff Cassidy, who is also a member of the camera crew on The Flash, has been making some major waves this past week, thanks to its stellar cast that features Josh Dallas (Once Upon A Time; Thor), Emily Bett Rickards (Arrow), Tom Cavanagh (The Flash), and Christian Michael Cooper (Prison Break). The 15-minute feature tells a touching story about a father who creates a superheroic tale for his son to help convey a much deeper message. Dallas stars as Captain Strong with Rickards as his princess and Cooper as his young son while Cavangh plays the villainous Darkman. Check it out below:
