

SYNOPSIS: "Captain America: The First Avenger" will focus on the early days of the Marvel Universe when Steve Rogers volunteers to participate in an experimental program that turns him into the Super Soldier known as Captain America. As Captain America, Rogers joins forces with Bucky Barnes and Peggy Carter to wage war on the evil HYDRA organization, led by the villainous Red Skull. While I've made the upmost effort to ensure there is nothing in this review which qualifies as a spoiler, if you want to know nothing about the movie before it's released across the world over the next few days, you may want to turn away now! Apologies for the lateness of this review, but as I'm sure most of you already know, the movie wasn't released here in the UK until yesterday! Whether you've seen it or not, I hope you enjoy reading my thoughts below. Anyone who knows anything about
