

As a big fan of Geoff Johns' run on Green Lantern, I can't fault this issue at all. Picking up pretty much where Green Lantern #67 and War of the Green Lanterns: Aftermath left off, it sees both Sinestro's induction into the Corps and the now powerless Hal Jordan's return to Earth. We open up with the former villain reciting the Oath, and for anyone who has followed the title over the past few years, there can be no doubt about just how big of a deal this is. The guy who formed the Sinestro Corps is now back fighting alongside the very Guardians he has sought to destroy countless times! Of course, he's not exactly a willing participant, and while he may be wearing a green ring, but this is very much the same villain we all know and love (hate?) as he demonstrates when he brutally murders a
