

Think you don't know Vic Armstrong? You've seen his work in countless films. He's been stunt double for James Bond and Indiana Jones, and he's directed action scenes for 3 Bond movies, Mission Impossible 3 and Thor, to name but a few. He's got a lot of amazing stories to tell, and they're all here in this acclaimed memoir, now updated with Vic's work on The Amazing Spider-Man! The life story of Vic Armstrong is a truly fascinating one. While the beginning of the book deals with his childhood (an interesting enough tale in its own right) it takes no time at all before it delves into his prolific career as a stuntman. The book covers just about all of the projects he has worked on over the years, and he reveals a huge amount of insights and opinions on films, actors and directors. Armstrong spends more time talking about some projects
